**TRUSTEE’S ABANDONMENT OF BOTTLING LINE AND RELATED
EQUIPMENT**

Clyde Hardesty, Trustee, hereby abandons any interest of the bankruptcy estate in a bottling line and certain related equipment, which is more particularly described on attached Exhibit A (“CB Beverage Equipment”). Based upon testimony at the Meeting of Creditors and after further investigation, Trustee has determined that the CB Beverage Equipment is of inconsequential value and benefit to the estate and is burdensome.

Trustee is informed and believes that Debtor Actual Brewing Company, LLC entered into a letter of intent with CB Beverage, which expressed Debtor’s intention to acquire the CB Beverage Equipment from CB Beverage Corp. Debtor took possession of the CB Beverage Equipment. Despite extensive negotiation among Debtor, CB Beverage and their respective counsel, the parties never reached a definitive agreement or executed a purchase contract. Moreover, Debtor has been unable to provide any evidence of any payments made to CB Beverage for the proposed purchase price for the CB Beverage Equipment. Debtor does not own the CB Beverage Equipment and consequently, it has no value to the estate.

Abandonment is effective immediately without further notice or court order.
